The best STREAM ever – in a compact version without number pad.

For all lovers of quiet keyboards with the inimitable typing feel of a STREAM KEYBOARD, there is now a smaller and space-saving alternative: The STREAM KEYBOARD TKL. The two look very similar but differ in one significant way: The corded TKL version has the same main keypad as the popular STREAM KEYBOARD, but it does not have the number pad and is, therefore, smaller in size. For many applications, this is a decisive advantage.

One of the similarities between the two corded keyboards is an important product feature: CHERRY's own SX scissor technology. It is at the heart of the STREAM family and, at the same time, serves as the basic prerequisite for exacting and frequent typists to be able to work productively. The result is a perfect pressure point that ensures precise execution and super silent strokes of the keyboard.

The TKL version differs from its big brother in that the design has been shortened by omitting the number pad. The STREAM KEYBOARD TKL is perfect for those who hardly use the number pad but do not want to do without the familiar arrangement of the main keypad. The compact version saves space on the desk, both in the office and at home, making it easier to concentrate on the essentials. In the industrial sector, this workhorse is ideal for 19-inch drawers due to its smaller dimensions. The WetEx® protective film lends itself to harsher working environments. It is specially tailored to the dimensions of the keyboard and is available as an accessory.

Anyone who spends a lot of time at their desk every day knows that an ergonomic sitting posture is essential to prevent certain health issues. Tension and pain in the back, hand, arm, and neck area can thus be avoided. It is, therefore, a huge bonus point that the reduced dimensions of the small computer keyboard are accompanied by decisive ergonomic advantages. For right-handers, the mouse and keyboard are closer together. This means that the user keeps their arm closer to their side, which corresponds to an optimized working position and helps to avoid an incorrect posture. The German Social Accident Insurance (DGUV) confirms the theory that TKL keyboards promote a more natural and ergonomic posture.

The "Tested Safety" GS seal and the "Blue Angel" award promise further health benefits. The GS seal takes into account all relevant European directives and regulations that focus on protecting people's health. This includes, for example, that the letters stand out clearly from the keys. This is an important prerequisite for alleviating fatigue when working.

The "Blue Angel" environmental protection label provides further guidance for responsible shopping. Anyone who buys products with this seal can be sure that high demands regarding environmental, health, and usage properties have been considered during product development. Furthermore, the STREAM KEYBOARD TKL does not contain any plastic packaging material.

In addition to the product features already mentioned, the CHERRY STREAM TKL also scores with many other interesting features. One of these is the status LEDs for CAPS LOCK and SCROLL LOCK. Since these are located directly in the key, time-consuming searches for activated status LEDs are a thing of the past. Although this feature is usually only found in higher price ranges, it is now standard for almost all CHERRY products. The flat corded keyboard functions according to the Plug&Play principle. This means that it is ready for use without any driver installation. The practical six additional keys also prove useful in everyday life. You can use them to easily control multimedia applications without having to press an additional FN key. If you would like to add additional functions to your keys, you will find what you are looking for with the CHERRY KEYS software. It can be downloaded free of charge from www.cherry.de.

Do you spend a lot of time at your PC and are looking for a space-saving keyboard without a number pad? Do you also value high quality standards and want to make a positive contribution to your health? Then the STREAM KEYBOARD TKL is the right choice for you.

Decisive advantages

Optimum operating comfort:

- Space-saving design through omitting the numeric keypad
- Improved, ergonomic shoulder posture (due to shorter distance between keyboard and mouse)
- Alphanumeric section according to DIN ISO 9995-1
- 6 multimedia keys
- 2 integrated status displays for Caps Lock and Scroll buttons

Maximum productivity:

- CHERRY SX scissor mechanism
- Super silent keystroke

Highest quality:

- Rubberized feet for perfect slip resistance
- Integrated metal plate for maximum torsional rigidity
- Blue Angel eco-label

Very latest design:

- Low profile
- GS certificate

Technical specifications

Layout (country or language):

Depends on product, see "Models" table

Housing color:

Depends on product, see "Models" table

Weight (product):

approx. 1.5 lb

Total weight (with packaging):

approx. 1.83 lb

Storage temperature:

-4 °F to 140 °F, max. 85% humidity

Operating temperature:

32 °F to 104 °F, max. 85% humidity

Power input:

max. 20 mA

Connection:

USB

Reliability:

MTBF > 80,000 hours

Product approvals:

- CE
- FCC
- VDE GS
- Blue Angel
- China RoHS
- UKCA
- Windows Hardware Compatibility

System requirements:

USB port (type A)

Windows 11, 10, 8 or 7

Scope of delivery:

- Corded keyboard
- Operating instructions

Cable length:

Approx. 180 cm

Technical specifications (continued)

Product dimensions:

Keyboard: approx. 14.84 x 6.42 x .71 in (feet folded in)
approx. 14.84 x 6.42 x 1.11 in (feet folded out)

Packaging dimensions:

approx. 15.35 in x 8.11 in x .79 in

Keyboard:

- Key technology: SX
- Service life of standard key > 20 million strokes
- Alphanumeric section according to DIN ISO 9995-1
- Anti-slip feet: 7 pieces (.71 x .16 in)
- Rubber feet
- Status display: Caps Lock and Scroll buttons
- Number of additional keys: 6
- Additional key functions: Volume down, sound on/off, volume up, previous track, start/pause, next track

Packaging unit:

Number of products in outer package 10

Number of outer packages per pallet 40

Warranty

We put a lot of dedication and hard work into the development of our products and we are proud of their quality. This is why, in addition to the statutory guarantee mentioned in the operating instructions, we are granting an expanded manufacturer's guarantee that is subject to the conditions stated below.

For the first two years after delivery, the statutory warranty applies. In the third year after delivery, CHERRY voluntarily grants an additional warranty according to the following conditions ("extended warranty"). In the event of a defect, please contact the seller of your CHERRY product. Do not carry out any repairs on your own and do not open the product. There is no warranty if unauthorized changes to the product cause a defect.

Conditions for the extended warranty

In the case of a defect after the first 2 years after delivery of the CHERRY product, CHERRY grants its customers for the additional period of one year the right to assert claims for cure, i.e. demand that the defect is remedied or a thing free of defects is supplied. The extended warranty is to be asserted against the seller of the CHERRY product upon presentation of the original invoice, proof of purchase or a comparable proof of the time of purchase. CHERRY, and the seller of the CHERRY product, where applicable, shall remedy the defect in the event the customer has justified claims for cure under the terms of the extended warranty.

Excluded from the extended warranty are damages caused by improper use, in particular by the effects of chemical substances, other damages caused by external influences, as well as normal wear and tear and optical changes, in particular discoloration or abrasion of shiny areas. Also excluded from the extended warranty are accessories and other parts which are not an integral part of the purchased item.

Errors, technical changes and delivery possibilities excepted.
Technical information refers only to the specifications of the products. Features may differ from the information provided.
